The right presence. For your environment.

From everyday access control to event coverage, discuss the people and patrol arrangements your assignment requires.

01 Unarmed security guards

A professional presence for entrances, reception areas, visitor access and property oversight.

02 Armed security guards

Discuss your assignment and risk profile, required authorisations and agreed deployment arrangements.

03 Private security guards

Personnel for private properties, with duties, coverage hours and privacy expectations agreed for your needs.

04 Event security services

Plan entry checks, access management and security personnel around your event, venue and expected attendance.

05 Patrol services: foot, bike or cart

Patrol options for campuses, larger properties and sites, with routes, checkpoints and reporting requirements.

06 Vehicle patrol services

Discuss mobile patrol coverage, patrol frequency, access routes and reporting for your premises.

Coverage, personnel and operating arrangements are confirmed with Phoenix for each assignment.
